Those factors taken into consideration for nomination are the student's scholarship, his participation and leadership in activities, his citizenship, and his promise for the future.

The most important campus organization is the Student Board of Governors which is representative of each Bethanian by including in its membership two representatives from each fraternal organization and the independent associations. One of its main functions is to promote better student and faculty relationships by serving as a coordinator between the two. Clay Lowe served as this year's president, completing a successful term.

Tower Staff

The Bethany Tower, known as "The Voice of West Virginia's oldest college," is published ten times each semester. This year headed by Editor-in-Chief, Gretchen Eckerson, this publication represented the students work and opinion with no faculty interference. Other members of the staff were Sandy Stevick, George Seminara, Louella Haig, Toby Bates, Les Leonetti, Chuck Otey, and Peggy Armstrong.

Moo Moo Moo

The Moo Moo Moo's led by Don "killer" Keib, have added much color to the home football and basketball games. They helped raise school spirit by enhancing the humor of the games with mimicry and gymnastic stunts. They also livened up the Bee Hive pep rallies with their humorous skits. To these boys we give our praise for their untiring efforts.

Don't let them fool you. They're just trying to impress us!

Football

The 1957 Bethany Gridders had one of their best seasons. In eight starts they were successful in winning five. Their victorious opponents were Thiel, Westminster, and John Carroll. The Bisons took victories over West Virginia Wesleyan, Marietta, Allegheny (Homecoming), Washington and Jefferson, and Grove City.

The Bethany powerhouse met the Presidents from Washington and Jefferson for the first time in over 20 years only to drive them down to defeat. It was Bethany's first victory over W. and J. since the early 1900's.

Wills Young dodges the tacklers.

Coach John Knight had about fifteen old faces back for practice, which was held in Wheeling due to the Bethany water shortage. The returning line men were; Whitt center, Urbanic and Carneval ends, Rackie and Joyce guards and Irvine and Duffee tackles.

Ranking high in the nation was Bethany's quarterback Paul Hoffman. Paul who performed beautifully for the Bisons was injured early in the season and had to sit a few of the games out. Filling in at quarterback with Hoffman injured, was freshman and ex-Marine Wills Young. Wills' spirit and determination kept the Bisons moving up the victory trail with his fine passing ability.

Basketball

Coach Martin gives W. and J. ball to Captain Rudy.

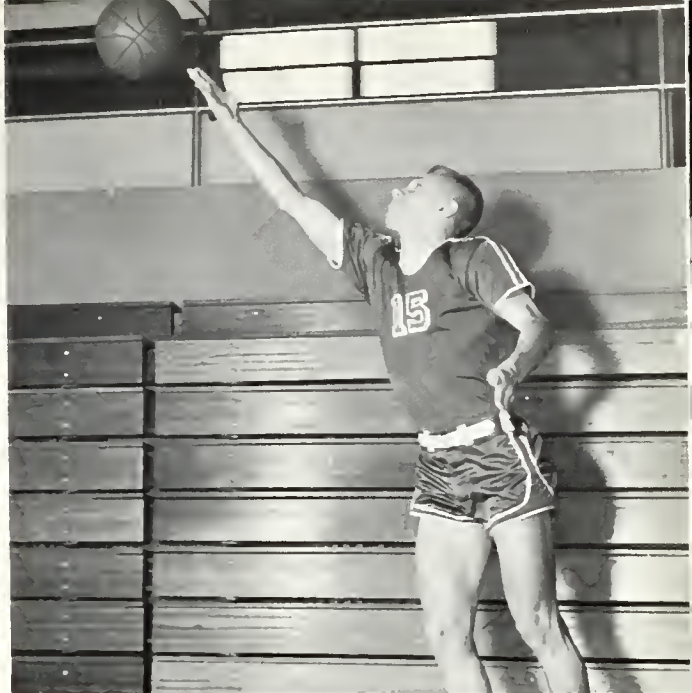

The Bison Cagers showed much improvement over last year's record. Although they lost some of the first games, they never lost their spirit. Even though Bethany's five lost the first scheduled game with Washington and Jefferson, it was undoubtedly one of the best of the year. Later in the season the Bisons proved this by defeating this team in a second game.

The Bisons are only losing one man this year, captain Rudy Yaksich. However, Rudy led the scoring attack again this year. He will undoubtedly be a great loss to the team.

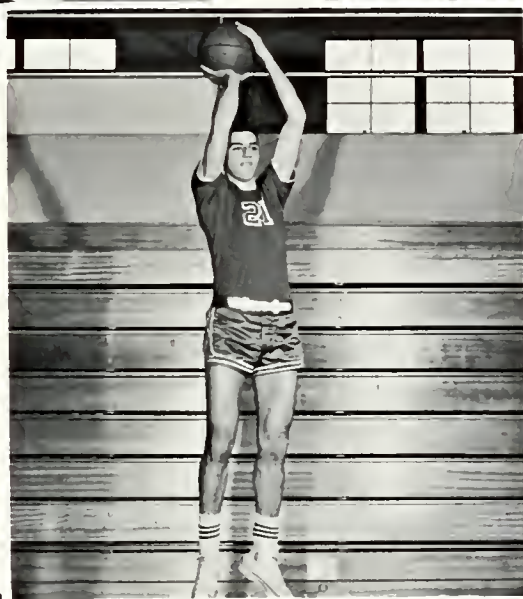

The team shows great promise for next year with Bob Goin, captain elect for next year, returning along with John Stetsko, Dick Hill, Don Dodge, and Buck Ringler. Another player who added strength to the squad was Abby Urbanic, a newcomer to the court.

Tennis Team

The 1958 Bethany tennis team again came up with an excellent record this year. Although it did not match last year's record, they still had a fine showing.

As two lettermen were lost from the 1957 squad, the team started slowly. Those returning from last year's squad were captain Les Leonetti, Steffanie Jones, Dave Dunham, Russ Saunders, and Ira Goldwasser. Several newcomers, Chuck Otey and Dave Stewert, show great promise for next year's team.

Les Leonetti, Steffanie Jones, and Larry Lee will not be returning next year.

Baseball

Coach Knight and Acting Captain Abby Urbanic.

Coach Knight started the season with many of last year's players returning. The boys have been working hard, and he expects them to constantly improve as the season progresses. Returning this year is veteran catcher Phil Cocco along with pitchers Paul Hoffman and Vernon Black. Others returning are Ralph Hays, captain; Abby Urbanic, Del Carneval, and Auggie Losso, infielders; and Don McCready and Bob Stotsky, outfielders.

Two of the players, Losso and Hays, were injured early in the season and were considered a great loss to the team.

With only one senior leaving (Ralph Hays), the team shows great promise for next year.

The Bison thinclads have returned to the track for their early calisthenics and are looking forward to a successful season. There were many newcomers to the team coached by Edgar Martin.

Those lettermen returning to the team were Ed Pierce, captain; John Schaeffer who last year broke his own record in the state meet, and Dick Snelsire.

The team was mostly comprised of underclassmen who will be returning next year after a year's experience behind them.

Those who will not be returning next year are Ed Pierce, John Schaeffer, and Dick Snelsire due to the fact that they will be graduated.

Coach and sponsor Dr. Lester McAllister had veteran Tom Giesey returning from last year's state champions. Enthusiasm and prospects were bright as the season opened. Cheerleaders

The six regular cheerleaders and two substitutes, under the leadership of captain Steffanie Jones, cheered the football and basketball teams on to victories and through defeats, they did much for the college spirit.

The cheerleaders sponsored a reverse weendend, participated in convocation programs, held pep rallies in the Bee Hive and bonfires in the Coal Bowl.

It pays to be at the center of things

The many services that a bank performs require the talents of a surprising variety of personnel, aside from those with the obviously logical background of financial training. Your education may very well be the perfect background for one of the more than 20 well-paying positions in a bank.

One of every five and a half banking employees is an officer. A greater portion of graduates who pursue a banking career attain the \$7500 to \$10,000 per year bracket than those in any other business. These statistics apply in many cases to both men and women in banking, since 10% of banking officials are women.

Banking is out ahead of most other fields in the important matter of fringe benefits. The average bank employee receives an additional \$24 in fringe benefits for every \$100 in salary.

A career in banking offers the opportunity to further your education if you so desire. Many banks offer free courses in money, credit, banking, economics, and other allied subjects.

Banking is a profession of prestige and respect. Few fields offer the college graduate such opportunities. Look ahead, weighing your talents and ambitions, and then answer this question:

What about a banking career...for you?
